OpenID®

CERTIFICATION OF CONFORMANCE
TO OPENID CONNECT CONFORMANCE PROFILE

Name of Entity ("Implementer") Making this Certification: __GSMA__

Software or Service ("Deployment") Name & Version #: __Mobile Connect Reference Implementation v2.3__

OpenID Connect Conformance Profile: __Basic OpenID Provider__

Conformance Test Suite Software: __op.certification.openid.net 2.0.14__

Test Date: __18 May 2018__

1. Certification: Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.

2. Maintenance: If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.

3. Incorporation of Terms: The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at http://openid.net/certification/, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.

Authorized Signature: _____

Name: __David Pollington__

Title: __Head of Service__

Date: __18 May 2018__

Implementer's Authorized Contact Information	
Name:	David Pollington
