OpenID

CERTIFICATION OF CONFORMANCE
TO OPENID CONNECT CONFORMANCE PROFILE

Name of Entity ("Implementer") Making this Certification: Micro Focus

Software or Service ("Deployment") Name & Version #: Micro Focus Access Manager 4.4 Service Pack 3

OpenID Connect Conformance Profile: Hybrid OP

Conformance Test Suite Software & Version #: op.certification.openid.net

Test Date: 18-Dec-2018

1. <u>Certification</u>: Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.

2. <u>Maintenance</u>: If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.

3. <u>Incorporation of Terms</u>: The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at http://openid.net/certification/, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.
