

**CERTIFICATION OF CONFORMANCE  
TO OPENID CONNECT CONFORMANCE PROFILE**

**Name of Entity ("Implementer") Making this Certification:** Identity Automation, LP

**Software or Service ("Deployment") Name & Version #:** RapidIdentity Federation

**OpenID Connect Conformance Profile:** OpenID Provider Publishing Configuration Information

**Conformance Test Suite Software & Version #:** op.certification.openid.net 2.0.10

**Test Date:** December 18, 2017

1. **Certification:** Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.
2. **Maintenance:** If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.
3. **Incorporation of Terms:** The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at <http://openid.net/certification/>, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.

**Authorized Signature:** 

**Name:** Greg Pellegrino

**Title:** VP of Engineering

**Date:** January 10th, 2018

Implementer's Authorized Contact Information	
Name:	Greg Pellegrino
Title:	VP of Engineering
Phone:	281-2200021
Email:	gpellegrino@identityautomation.com
Address:	7102 N Sam Houston Pkwy W, Suite 300
City, State/Province, Postal Code	Houston, Texas 77064
Country	United States

Secondary Contact's Information (Optional)	
Name:	John Bellasai
Title:	Senior Software Engineer
Phone:	281-220-0021
Email:	jbellasai@identityautomation.com
Address:	7102 N Sam Houston Pkwy W, Suite 300
City, State/Province, Postal Code	Houston, Texas 77064
Country	United States

**Optional:** Please provide the following information if you want your implementation to be included in the list of certified implementations at <http://openid.net/developers/certified/>. Providing this information is not required for OpenID Certification.

**URL at which people interested in using your implementation can learn about it and/or obtain it:**

<https://www.identityautomation.com>

**1-2 sentence description of the implementation:**

RapidIdentity Federation provides SSO capabilities for the RapidIdentity Identity & Access Management Platform

**The programming language of the software and deployment environment for it, if applicable (e.g., "JavaScript for Node.js", "Binaries for iOS", or "Service"):**

Java & Groovy

**Licensing terms of the software, if applicable (e.g., "Apache 2.0" or "Proprietary"):**

Proprietary
