OpenID®

CERTIFICATION OF CONFORMANCE
TO OPENID CONNECT CONFORMANCE PROFILE

Name of Entity ("Implementer") Making this Certification: _____ KSIGN CO., LTD _____

Software or Service ("Deployment") Name & Version #: _____ KSign Trust Thing 1.0 _____

OpenID Connect Conformance Profile: Basic Relying Part

Conformance Test Suite Software: rp.certification.openid.net Test tool version:1.0.7

Test Date: _____ January 2, 2018 _____

1. Certification: Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.

2. Maintenance: If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.

3. Incorporation of Terms: The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at http://openid.net/certification/, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.

Authorized Signature: _____

Name: _Jeong-MT, Kim_

Title: _R&D Director_

Date: _January 3, 2018_

Implementer's Authorized Contact Information	
Name:	Jeong-Mi Kim
Title:	R&D Director
Phone:	+82-10-9010-2491, +82-70-7090-7913
Email:	jenny@ksign.com
Address:	4F Kyungpung B/D, 18, Nonhyeon-ro-64gil, Gangnam-gu
City, State/Province, Postal Code	Seoul, 06231
Country	South Korea
