

**CERTIFICATION OF CONFORMANCE  
TO OPENID CONNECT CONFORMANCE PROFILE**

**Name of Entity ("Implementer") Making this Certification:** WSO2

**Software or Service ("Deployment") Name & Version #:** Identity Server 5.4.0

**OpenID Connect Conformance Profile:** Implicit OP

**Conformance Test Suite Software:** op.certification.openid.net 2.0.10

**Test Date:** Jan 09, 2018

1. **Certification:** Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.
2. **Maintenance:** If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.
3. **Incorporation of Terms:** The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at <http://openid.net/certification/>, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.
