

**CERTIFICATION OF CONFORMANCE
TO OPENID CONNECT CONFORMANCE PROFILE**

Name of Entity (“Implementer”) Making this Certification: Onegini B.V.

Software or Service (“Deployment”) Name & Version #: Onegini Connect 5.0

OpenID Connect Conformance Profile: Config OpenID Provider

Conformance Test Suite Software & Version #: op.certification.openid.net 2.1.4

Test Date: September 5th 2018

1. Certification: Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.
2. Maintenance: If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.
3. Incorporation of Terms: The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at <http://openid.net/certification/>, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.

Authorized Signature:

Name: Stein Welberg

Title: CTO

Date: October 15th 2018

Implementer’s Authorized Contact Information	
Name:	Stein Welberg
Title:	CTO
Phone:	+31639110574
Email:	stein@onegini.com
Address:	Pompmolenlaan 9
City, State/Province, Postal Code	3447GK Woerden
Country	The Netherlands

Secondary Contact's Information (Optional)
