

**CERTIFICATION OF CONFORMANCE
TO OPENID CONNECT CONFORMANCE PROFILE**

Name of Entity (“Implementer”) Making this Certification: VERIMI GmbH

Software or Service (“Deployment”) Name & Version #: VERIMI 1.2

OpenID Connect Conformance Profile: Config OpenId Provider

Conformance Test Suite Software: op.certification.openid.net Version: 2.1.5

Test Date: 19.10.2018

1. **Certification:** Implementer has tested the Deployment (including by successfully completing the validation testing using the Conformance Test Suite Software) and verified that it conforms to the OpenID Connect Conformance Profile, and hereby certifies to the OpenID Foundation and the public that the Deployment conforms to the OpenID Connect Conformance Profile as set forth above.
2. **Maintenance:** If subsequent changes to the Deployment, or other information or testing, indicates that the Deployment is not in conformance, Implementer will either correct the nonconformance (and update this Certification if necessary) or revoke this Certification.
3. **Incorporation of Terms:** The Terms and Conditions for Certification of Conformance to an OpenID Connect Conformance Profile, located at <http://openid.net/certification/>, are incorporated by reference in this Certification, and Implementer agrees to be bound by such Terms and Conditions.

Authorized Signature: _____

Name: Artur Burgardt

Title: Managing Partner

Date: 31.10.2018

Implementer’s Authorized Contact Information	
Name:	Artur Burgardt
Title:	Managing Partner
